A/V RIDER

PROJECTOR

A projector and screen will be needed. Molly will use her MacBook Air and connect to the projector with her own VGA/HDMI adapters that she brings. She will need a basic cord that connects the projector to her adapters. She does not need sound or wifi for her slides.

MICROPHONE

One wireless, handheld microphone
or
Wireless, lavalier clip-on
or
Headworn style microphone with fresh batteries

STAGE

Molly prefers the room to be well-lit so she can see the audience. If the audience will be dark with spotlights on Molly, please let her know ahead of time. Molly does not need a podium, she likes to move around to connect with your audience.

If using a flat room such as in a hotel space, provide a riser so Molly may be seen.

WATER

Please provide Molly with 2 bottles of water.

MERCHANDISE TABLE

Please have a table and chair ready near the area that Molly will be speaking so she can meet audience members and sell books, if applicable.
